SWISS EXPERTS.
SWISS EXCELLENCE,
WITHOUT COMPROMISE.

At Swiss Experts, we believe that true quality begins with integrity and ends with results you can trust. Our mission is to create health and wellness products that are not only effective but held to the highest Swiss standards. With a commitment to quality, purity, and performance, we never cut corners — and we never will.

All our formulations are developed in Switzerland by experts using a rigorous, science-based approach. Every ingredient is carefully researched, every formula backed by proven science, and every product crafted from premium raw materials. We manufacture exclusively in Switzerland at GMP-certified facilities to ensure safety, consistency, and reliability in every batch.

Our vision is simple: to be a trusted name in health and wellbeing by delivering expertly formulated products that embody Swiss excellence.

Swiss Made.

SWISS EXPERT FORMULA

SWISS EXPERT FORMULA

EXPERTLY FORMULATED IN SWITZERLAND

All Swiss Experts products are expertly formulated in Switzerland, guided by scientific research and precision. We use only carefully selected ingredients backed by evidence and source the highest quality raw materials to ensure effectiveness, safety, and consistency in every batch.

SWISS MADE

Every Swiss Experts product is made exclusively in Switzerland. We adhere to the highest standards of Swiss quality, precision, and reliability, and we make no exceptions. This is not just a label — it is our promise and commitment under the trusted mark of Swiss excellence.

GMP
QUALITY

GOOD MANUFACTURING PRACTICE

All our products are manufactured exclusively in GMP-certified facilities to ensure they meet the highest quality and safety standards. This guarantees strict control over every stage of production — from raw materials to the finished product.

VEGETARIAN CAPSULES

Targeted beauty and wellness support, powered by Swiss science | **60 PCS**

BEAUTY 1
Swiss Expert Formula Nr.

Expertly formulated in Switzerland, this supplement combines essential vitamins, minerals, and natural extracts to support the beauty and strength of your hair, nails, and skin from within.

SWISS EXPERT FORMULA

OMEGA
EXTRA STRONG

Expertly formulated in Switzerland, this high-potency omega formula delivers an ultra-concentrated source of omega-3 fatty acids in the natural triglyceride (TG) form, ensuring superior bioavailability and optimal absorption for advanced cardiovascular and cognitive support.

Recommended daily dose:
1 soft gel capsule per day.

Fish Oil (TG form)	1000 mg
EPA	460 mg
DHA	380 mg
Vitamin E	12 mg

- **EPA and DHA** contribute to the normal function of the heart, supporting cardiovascular health as part of a balanced lifestyle. The high concentration of omega-3 fatty acids makes this formula particularly suitable for consumers seeking targeted and effective heart support.
- **DHA** contributes to the maintenance of normal brain function and normal vision, playing an important role in cognitive performance and visual health, especially in today's high-demand digital lifestyle.
- **Vitamin E** contributes to the protection of cells from oxidative stress, helping to safeguard cells against free radicals and supporting overall cellular health.

This premium triglyceride omega formula supplies high levels of EPA and DHA, two essential omega-3 fatty acids that play an important role in maintaining normal heart, brain and vision functions. Omega Extra Strong offers advanced support for heart health, cognitive performance and overall wellness.

SWISS EXPERT FORMULA

SOFT GEL CAPSULES

Targeted cardio and cognitive support, powered by Swiss science | **60 PCS**

OMEGA
STRONG

Expertly formulated in Switzerland, this omega formula provides a concentrated source of omega-3 fatty acids for everyday support.

Recommended daily dose:
1 soft gel capsule per day.

Fish Oil	800 mg
EPA	320 mg
DHA	240 mg
Total Omega-3	640 mg
Vitamin E	12 mg

- **EPA and DHA** contribute to the normal function of the heart, helping to support cardiovascular health as part of a balanced daily routine.
- **DHA** contributes to the maintenance of normal brain function and normal vision, supporting mental performance and visual comfort in everyday life.
- **Vitamin E** contributes to the protection of cells from oxidative stress, helping to maintain overall cellular health.

This high-strength omega formula delivers balanced levels of EPA and DHA, helping support cardiovascular health. Omega Strong soft gels provide a reliable and convenient source of omega-3 fatty acids, helping support heart health and daily vitality.

OMEGA
OPTIMUM 3-6-9

Expertly formulated in Switzerland, this omega 3-6-9 formula combines three essential fatty acid sources to provide a balanced nutritional profile.

Recommended daily dose:
2 soft gel capsule per day.

Fish Oil	660 mg
Evening Primrose Oil	660 mg
Linseed Oil	660 mg

- **Omega-3 fatty acids** contribute to the normal function of the heart, supporting cardiovascular health as part of a balanced lifestyle.
- **Omega-6 fatty acids**, including those naturally present in evening primrose oil, are important components of cell membranes and play a role in maintaining normal skin function and supporting the body's natural balance.
- **Omega-9 fatty acids** complement the intake of essential fatty acids and contribute to overall nutritional balance, supporting everyday metabolic functions.

This balanced essential fatty acid formula includes fish oil, evening primrose oil and linseed oil, delivering omega-3, omega-6 and omega-9 fatty acids that contribute to maintaining normal physiological functions. Omega Optimum 3-6-9 soft gels provide a balanced combination of essential fatty acids, supporting skin wellness, nutritional balance and overall vitality.

- **Vitamin C and Zinc** contribute to the normal function of the immune system and help protect cells from oxidative stress.
- **B vitamins and Folic acid** contribute to normal energy-yielding metabolism, help reduce tiredness and fatigue, and support the normal functioning of the nervous system.

This advanced dual-action formula combines immunity and energy support in one product. IMMUNO+ goes beyond standard by integrating high-dose Vitamin C, Zinc, B-complex and Ginger extract, ideal for periods of stress, seasonal challenges and increased physical or mental load.

VITAMIN C+

SWISS EXPERT FORMULA

Expertly formulated in Switzerland, VITAMIN C+ delivers a high-strength combination of Vitamin C and Zinc designed to support the body's natural defences and protect against oxidative stress.

Recommended daily dose:
1 tablet per day
dissolved in 200 ml of water.

Vitamin C	900 mg
Zinc	25 mg

- **Vitamin C and Zinc** contribute to the normal function of the immune system.
- **Vitamin C** contributes to the protection of cells from oxidative stress and helps reduce tiredness and fatigue.

This high-strength immunity formula, with a powerful combination of Vitamin C and Zinc, delivers advanced daily immune protection while supporting antioxidant defense and overall resilience. Ideal for seasonal support, busy lifestyles targeted to those seeking reliable, high-dose formulations in a convenient and enjoyable format.

ELECTRO+

SWISS EXPERT FORMULA

Expertly formulated in Switzerland, ELECTRO+ provides a balanced combination of glucose and essential electrolytes to support hydration and mineral balance.

Recommended daily dose:
1 tablet per day
dissolved in 200 ml of water.

Glucose	3400 mg
Potassium	300 mg
Sodium	200 mg

- Electrolytes such as **sodium and potassium** help maintain fluid balance and support hydration, especially during physical activity or fluid loss.

This functional hydration formula is designed to restore electrolyte balance and support physical performance. ELECTRO+ is ideal for active lifestyle, travel use and recovery situations, helping maintain hydration levels during exercise, heat or increased fluid loss. With a balanced combination of glucose and electrolytes, it delivers fast and effective hydration support in a convenient effervescent format.
